What is Title III Older Americans Act?

Direction Home of Eastern Ohio receives federal Title III funds for people age 60 and older through the Older Americans Act of 1965.

These Community Service Programs offer assistance to seniors like home delivered meals, transportation and wellness classes. Local communities are part of the policy and program decisions to meet the unique needs of individuals in the community.

Eligibility is not based on income. If you are age 60 or better, you qualify for services. Unfortunately, due to limited funding, some services are not always available. The quickest way to find out service availability is to call the contracted providers listed in this brochure.

While there is no charge, donations and/or cost share are encouraged to help maximize services. Providers may target those clients who are low income, but do not qualify for Medicaid, over 75, female, disabled, minority, or live in rural areas.

Direction Home of Eastern Ohio is an equal opportunity employer, grantor and service provider.
